Public Hearing on Proposed Street Vacation
April 26, 2004
City Hall

Mayor Kaiser called the hearing to order at 6:30 p.m. All members were present. Others attending were Sylvia Lee, Ryan Lee, Vern Owens, Rene Olson, Greg Sanborn, Brian Paulson, Andrew & Jessica Miller, Terry Kubat, Rick Jones, Brent Jones, Virginia Jones, Shannon Jones, Mark Rahrick, and Tom Grems.

The purpose of this hearing is to consider a proposed resolution that would vacate a portion of Fourth Avenue SW in the City of Medford, Minnesota.

Mayor Kaiser outlined the format for the meeting. Council member Thomas gave an overview of the proposed vacation.

Floor was opened to questions and comments.
Sylvia Lee stated her reasons for being against the proposed vacation. Ms. Lee stated that this proposed vacation would make the cul-de-sac substandard and not comply with city ordinance; the vacation will not make a buildable lot with the required minimum depth of 132 feet; she questioned the sewer access; and the benefit of the proposed vacation. Ms. Lee stated that the plat was decided upon in 1990 and questioned why change it now. Ms. Lee felt there was no point to the vacation.

Brian Paulson questioned what and why this was being proposed. Clarification of the proposed street vacation was given by the council.

Vern Owens questioned the alleyway (First Street SW) would be narrowed or changed in any way. Mayor Kaiser stated that there would be no changes to that street. Mr. Owens also questioned about a dump hole in that area in the past. The council is unaware of this.

Rick Jones stated that Bill Trygstad was the engineer at the time this area was developed. Mr. Jones quoted from a letter from Mr. Trygstad. Mr. Jones pointed out that addition of tax dollars that would be brought to the community with a house being built on that lot. Mr. Jones said he could not pinpoint the exact location of the dump hole since he was a small boy when last used. Mr. Jones also stated that the lot was never deemed unbuildable.

Virginia Jones agreed with Rick Jones’ statements.

Shannon Jones questioned the purpose of the cul-de-sac.

Andrew Miller questioned whether or not there would be any changes to the north side of the cul-de-sac. The council stated that the north side would not be changed. Mr. Miller also asked who would be paying for the changes to the street and would he be required to pay anything since the proposed vacation portion of the street abuts his property. There would be no cost to Mr. Miller. Mr. Miller mentioned the sewer issue. He also stated that it is unfortunate that this process has to be done.

Sylvia Lee questioned the impact this vacation would have on the Miller property. Ms. Lee also stated that according to black’s law an outlot is not a buildable lot.

Mayor Kaiser stated that these questions and concerns would be considered when the council discusses this issue during a regular council meeting. Action on this proposed vacation will also be taken then. The regular council meeting will start tonight at 7:00 p.m.

Motion by Corbin, seconded by Sexton to close the hearing at 6:55 p.m. Carried.

Minutes approved at __________________________ meeting.

Regular Council Meeting
May 24, 2004
City Hall

Mayor Kaiser called the meeting to order at 7:00 p.m.  All members were present.  Others attending were Connie & Don Abbe, DeWayne Halverson, Amber Kniefel, Dave Rasmussen, Darren & Melanie Hagen, Gonzolo & Tammy Medina, Roger Hagen, Daniel Cammock, and Greg Sanborn.

Motion by Corbin, seconded by Sexton to approve the agenda as amended.  Carried.
Motion by Clemmensen, seconded by Thomas to accept the minutes as presented.  Carried.
Motion by Thomas, seconded by Clemmensen to pay the city and liquor store bills for May.  Carried.

Concerns from the public.  Darren Hagen questioned the installation of the water line to his new building on 1st Avenue SE.  Mr. Hagen was told that the water line would not be put in until the easement on the east side of his property.  Mr. Hagen does not see the need for the easement because the storm sewer line is not on his property.  Mayor Kaiser stated that because the engineer is not here the easement could not be solved tonight.  The city will not block the installation of the water line at this time.

Motion by Sexton, seconded by Thomas to grant a one (1) foot variance to Trinity Lutheran Church on the west side of their property for an addition to the church as recommended by the planning & zoning board.  Carried.

Discussion of a deck placement request by Daniel Cammock.  With the placement of the house on the lot there is only twenty-nine feet to the property line at the back of the house.  The ordinance states that the set back requirement from the primary structure is twenty-five feet.  The deck is twelve feet wide leaving only seventeen feet to the property line.  This needs to go through the variance request process to place the deck.

Motion by Corbin, seconded by Clemmensen to waive the variance request fee for Daniel Cammock.  Carried.

Kami, Inc presented development plans for the northern portion of the Williams/Barta property.  These plans are still in the preliminary stages.  Kami is trying option the entire property.  The plans consists of twenty-five to thirty-three percent commercial and the balance residential, either single or multi family.

Roger Hagen requested of the city to allow a single family dwelling to be built on his property just south of Medford on County Road 45.  Steele County currently has this zoning commercial and would not allow a home to be built without the city’s approval for the change of zoning.  Discussion of the zoning of this property with Mr. Hagen followed.  Sanborn to contact the engineer to get a cost estimate for extending services to this parcel.  Once the estimates have been received, more discussion about the use of this property will be held.

Planning & Zoning report.
The land use regulations (zoning ordinance) is ready for the council to review.  The council would like to have a joint meeting with planning & zoning to go over this proposed ordinance together.  This will be held at the next regular p & z meeting, June 21, 2004, at 7:15 p.m.  Any changes to zoning will be tabled until the ordinance has been completed and adopted.  A letter from Tom & Carla Southworth regarding the zoning of their property has been received.  Mention of working hours for contractors within the city limits.  The council would like p & z look into this.

Park & Pool report.
Pool will be opening June 7th.

Motion by Sexton, seconded by Corbin to allow Trinity Lutheran Church members to renovate the landscaping around the pavilion in Central Park as recommended by the park board.  Carried.

EDA report.  The EDA would like to have a joint meeting with council and all the boards and committees to discuss where Medford is going.  This meeting will wait until more is known about the Williams/Barta property development.

Motion by Thomas, seconded by Clemmensen to appoint Andy Colwell to the EDA if he is willing to fill out Ron Karow’s term.  Carried.

Discussion of the powers & procedures of the EDA.

Motion by Thomas, seconded by Clemmensen to authorize the city attorney to draft a resolution to amend the enabling resolution for the EDA to require council approval for actions taken.  For:  Clemmensen, Thomas, Sexton, & Kaiser.  Against:  Corbin.  Motion carried.

Regular Council Meeting
July 26, 2004
City Hall

Mayor Kaiser called the meeting to order at 7:00 p.m. All members were present. Others attending were Amber Kniefel, Bruce Bullert, Jason Dusek, Tom Grems, Darren and Shelly Shaw, Pat Merritt, Don and Connie Abbe, Jimmy and Tammy Davis, Jason Math, Nick Goodnature, Paul and Shelly Ryan, Jeff Beede, John Ross, Ross Olson, Melanie Hagen, Megan Mork, Dan Niles, and Paula Freiheit.

Motion by Corbin, seconded by Sexton to accept the agenda as amended. Carried.

Motion by Sexton, seconded by Thomas to accept the minutes as presented. Carried.

Motion by Corbin, seconded by Clemmensen to pay the city and liquor store bills as presented. Carried.

Concerns from general public in attendance—Trinity Lutheran Church request

Don Abbe presented a written request asking the council to waive the connection fees for sewer and water at the Trinity Lutheran Church. There was discussion that a new water and sewer line would need to be installed. The water line will also be a larger size than the previous water line.

Motion by Sexton, seconded by Corbin not to waive the fees for sewer and water hook-up. Carried.

Darren Shaw and group—City Engineer concerns

Shelly Shaw presented a letter to the council expressing concerns about the workmanship of several projects in town. Darren and Shelly also presented a petition signed with 86 names in support of their concerns. A list of their concerns are as follows: 1) The curb in the Jones 3rd Addition—There was not a test cylinder broken before the curb was driven over the day it was poured. This could cause the curb to fail prematurely. 2) The streets on 2nd, 3rd, and 4th Street SW and 5th Ave SW—The specifications for manholes is ½ to ¾ inch below the level of asphalt and the manholes on the listed streets do not meet the required specifications, one even measuring 2 1/8 inches below the asphalt. This poses a danger to people riding bicycles, scooters, skates, etc. 3) The hydrant located in the SE corner of the Jones development. Also poses as a hazard. 4) Drainage and roadwork on the second block of 1st Ave SW. The seep basin for this area is insufficient causing flooding up to one foot deep. 5) 4th Street SW shut off valve 6) 3rd Street SW manhole covers.

John Ross presented pictures of his flooded yard. He would like to see a new place to put the plowed snow. Darren Shaw commented that even after the manhole covers were fixed, only 1 out of 5 meets the standards. Mayor Kaiser responds that he feels it is important not to change the positions of the city engineer or attorney every year. That with all the changes Medford is and will be going through, we need some continuity in the staff. Marie Sexton commented that the city tries to keep the same standards all through town and that things take time and it is a progression.

Michael Corbin responded that they did the right thing by coming to the council and letting them know about the problems and he wants the problems to be resolved 100%.

Danny Thomas said this was a wake-up call for everyone. He wants the council to go and look at all the projects. A request for a timeline set to resolve the issues and what if anything could be resolved tonight?

Mayor Kaiser responded that the issues with the storm sewer covers will get solved immediately. The hydrant is there for maintenance and flushing purposes. It is not a road there. It can be moved any time. The storm sewer issue is that there is a seep basin at that location. Seep basins are not tied to the storm sewer lines.

It was pointed out that when some of the projects discussed tonight were completed, Bruce Bullert was not the city engineer.

Planning & Zoning report.—Pat Merritt

Land Use Regulations were discussed and the attorney will make the changes. Need the ordinance to update the comprehensive plan and a new zoning map. There will be a joint meeting between the council and the planning and zoning board in September.

Engineer report—Bruce Bullert

Bruce will work with Don Clemmensen and Danny Thomas to make sure the manhole covers will be finished in satisfactory condition.

Danny Thomas and Bruce Bullert will investigate the Automated Systems bill.

Motion by Corbin, seconded by Sexton not to authorize payment until investigation of a satisfactory review of the work and the bill. Carries.
Motion by Thomas, seconded by Corbin to approve partial payment on Oakridge Bluffs 4th Addition after inspecting the project with Mr. Bullert and one other council member to assure a satisfactory site inspection. Carried.

City is waiting for final plans from Met Con.

Recess the meeting at 8:30 p.m.

Resume the meeting at 8:37 p.m.

Attorney report. EDA resolution needs to be previewed by EDA. Discussion about the 4th Avenue SW Vacation. Recorders office discovered an error where a “w” should have been an “e”. Mark Rahrick made an amended resolution. Motion by Corbin, seconded by Thomas to adopt the amended resolution. Carries

Discussion about the Hagen easement. Mark Rahrick needs to talk with Bruce Bullert.

Water and Sewer report. Danny Thomas had a request for Dorian Cornelius. Motion by Thomas, seconded by Sexton to hire Dorian Cornelius at $1200 per month as an independent contractor. The amount of $1200/month will be reviewed every year. Also to send either Rich or Jason this winter for CPO training. Carries.

Dorian is researching estimates to get the well pump up and running again. Looking at about $8,500. Mark Rahrick is to look into a service contract that would have a set amount of time an employee has to work if the city pays for training to retain licenses.

Street and Lights report. A new light pole and basin was put in. We need proof of insurance in order for Jones to move the shed. Fire department and law enforcement center has been notified. County road will be closed for about one hour.

Park, Pool & Recreation report. Pool has been closed three times now. Marie needs to look at staffing issues at pool with fall athletics and other events coming up.

Liquor Store report. Mike Corbin reported that the liquor store numbers are looking good. Becky requests that on Mondays the liquor store to close at 10:00 p.m. and Mike approved. Mr. Kaiser wants to look into options about the liquor store opening at 9:00 a.m.

Economic Development Authority report. EDA will formulate a final purchase price of the trailer court. Beginning price is $200,000. The EDA was approached by an import business looking into leasing space out at the Outlet Center.

The council decided to wait and set a preliminary meeting date for budget by September.

Next meeting date is August 23rd, 2004.

Motion by Corbin, seconded by Clemmensen to adjourn the meeting at 9:10 p.m. Carried.
