Regular Council Meeting  
June 24, 2002  
City Hall

Mayor Kaiser called the meeting to order at 5:00 p.m. All members were present. Others attending were John Curran, Bruce Bullert, Ross Olson, Gary Kindseth, Mark Rahrick, James O’Blennis, and Lois Nelson.

The council and zoning reviewed the concept plan drafted by Met-Con for the development of the property between Straight River and the Scott Kilness property. A draft of a developers agreement was reviewed. The draft was based on the project being a public project bonded by the city and assessed back to the property.

Gary Kindseth arrived at 6:00 p.m. to discuss the development with the council. Mr. Kindseth stated that the project would be done privately, not a public project. Met-Con will fund the project themselves. An Association for the twin home lots is planned.

The draft of the developers agreement was given to Mr. Kindseth. The draft will be changed to reflect the development being financed privately. Mr. Kindseth will attend the July 22nd council meeting to discuss this further.

Break.

Motion by Paulson, seconded by Sexton to accept the agenda as amended. Carried.

Motion by Sexton, seconded by Karow to accept the minutes as presented. Carried.

Planning & Zoning report.
Motion by Thomas, seconded by Sexton to accept as the 1st reading the proposed ordinance amending the nuisance ordinance. Carried.

The City Council acknowledges that various studies have been conducted regarding the impacts that adult establishments have on communities. These studies include a report entitled “Report of the Attorney General’s Working Group on Regulation of Sexually Oriented Businesses” prepared by the Minnesota State Attorney General; a report entitled “Adult Entertainment Report” prepared by the Olmsted County Planning Department; a report entitled “A Forty Acre Study Report” prepared by the St. Paul Division of Planning; a report entitled “The Impact of Pornography: A decade of Literature” prepared by the Department of Justice Canada. These studies have concluded that adult establishments have adverse impacts on surrounding neighborhoods, including increased crime rates, lower property values, increased transiency, neighborhood blight, and potential health risks. Based upon these studies and other information, the City Council concludes:

1. Adult uses have an impact on neighborhoods surrounding them which is distinct from the impact caused by other commercial uses.

2. Residential neighborhoods located within close proximity to adult theaters, bookstores, and other adult uses experience increased crime rates, lowered property values, increased transiency, and decreased stability of ownership.

3. The adverse impacts which adult uses have on surrounding areas diminish as the distance from the adult uses increases.

4. Crime rates which tend to increase within or in the near vicinity of adult uses include rapes, prostitution, child molestation, indecent exposure, and other lewd behavior.

Based upon this information, the City Council concluded it is in the best interest of the citizens of Medford and the public welfare of the City that reasonable restrictions be placed upon adult establishments to minimize the adverse impacts caused by those establishments.

Motion by Paulson, seconded by Sexton to accept as the 1st reading a proposed ordinance relating to the licensing of adult establishments. Carried.
James O’Blennis, Nylon Board Manufacturing, explained what his company is doing and the request for the city to apply to the federal government for a grant for his business. The city would then give a low interest loan through the EDA to the company. The funds would then go into the EDA revolving loan fund.

Motion by Sexton, seconded by Paulson for the City of Medford to submit an application to the USDA Rural Development in the amount of $100,000. Carried.

The employee handbook was reviewed by Mark Rahrick, city attorney. There were minor changes recommended. Sanborn will make these changes and get the handbook to all city employees.

The lease from AT & T for leasing space on the water tower at the outlet center was reviewed by the attorney. The representative will be invited to the council meeting on July 22 to discuss this.

Regular Council Meeting  
October 28, 2002  
City Hall

Mayor Kaiser called the meeting to order at 7:00 p.m. All members were present. Others attending were John Curran, Don Clemmensen, Terry Overn, Larry Nurre, Mark Rahrick, Bruce Bullert, Tasha Nelson, Adriana Guzman, Krysta Hrdlichka, Kim Hanbal, Amber Brink, Kellie Born, Jessica Plemel, Cherisse Brady, Chris Rowe, and Travis Clemmens.

Mayor Kaiser welcomed everyone in attendance.

Motion by Sexton, seconded by Paulson to accept the agenda as revised. Carried.
Motion by Thomas, seconded by Sexton to accept the minutes as presented. Carried.

Southern Minnesota Construction Company representatives Larry Nurre and Terry Overn presented the plans and preliminary schedule for the reconstruction of County Road 45 from Owatonna to the County line. SMI has applied for a conditional use permit to mine gravel from the Jones property south of the Jones 3rd Addition and a temporary asphalt plant on the Clayton Hayes property. These requests were discussed by the council.

Planning & Zoning report. The Council has asked that the planning & zoning board look at the existing school property and the Peterson grain/Jim’s Garbage/Sexton properties for possible uses for them.

Engineers report. Discussion of the Woodland Trail extension to the east property line. The street stops approximately 20 to 25 feet from the property line. The water line ends approximately 10 feet from the property line. This was done because the adjacent property owner at the time of development did not want any work or equipment on his property.

Motion by Karow, seconded by Paulson to order a feasibility study for the streets curb & gutter installation at the Jones 3rd Addition. Carried.

Discussion of the Jones gravel mining and the pond that would not be filled in for the reclamation of the area.

Attorney report. The attorney has been working on a resolution for the park improvement project. The legal definition needs to be finalized. Once that is done the attorney will get the resolution to the council.

EDA report. The EDA would like to start meeting every other month.
Motion by Thomas, seconded by Sexton to approve the EDA meeting every other month. Carried. They will be meeting in November. The next meeting will be January.

Water/Wastewater report. Discussion of the time clocks. The time clocks have been received and the time cards have also been received. There are some clarifications needed for the process yet. Employees will start using them now but they will be paid off the old type of time card until after the next meeting for the clarifications to be made.
There will be no maintenance department meeting until next week.

Streets report.
Motion by Karow, seconded by Thomas to accept the B & P street sweeping quote of $55 per hour. Carried.
Discussion of the jake breaking sign request. The state sign engineer stated that “jake breaking” is no longer used and the signs stating “noise laws enforced” is the appropriate verbage.

Park report. Sexton gave an update of the park improvement project. The work is a bit behind schedule due to the weather. The Civic Club has asked about the use of the park for next years Straight River Days. The park board will discuss this at their next meeting.

Liquor store report. A meeting with a representative for the dept of health to discuss expanding the food sold at the muni was held. There are limitations of space for cleaning dishes, so an expanded menu is not possible at this time. Discussion of using the old fire hall for pool and dart leagues discussed. The old fire hall will be set up for the pool league to play out there on Tuesday evenings.

Motion by Sexton, seconded by Paulson to allow Kevin Steinbauer to climb the water tower to decorate it for the holidays as long as the city insurance covers this action. Carried.
Motion by Paulson, seconded by Thomas to grant the KC Lodge a 3.2 beer permit and a dance permit for the year July 1, 2002 to June 30, 2002. Carried.

Discussion of the gravel mining conditional use permit applications and the temporary asphalt plant applications before Steele County for the Jones gravel pit and the Hayes property. The Council discussed their concerns. Mayor Kaiser will attend the public hearing on November 4, 2002, to express these concerns.

The ribbon cutting for the round-a-bout has not been scheduled yet. MNDOT is thinking about the middle of November or later for a ceremony.

Discussion of a city employee driving a third parties truck to haul sand for the park improvement project. Sanborn will check with the insurance agent to find out if this would be covered by insurance.

The next meeting is November 12, 2002, at 7:00 p.m.

Motion by Paulson, seconded by Thomas to adjourn at 8:37 p.m. Carried.

Minutes approved at ________________________________ meeting.

Motion by Thomas, seconded by Karow to accept the minutes as presented. Carried.

Motion by Paulson, seconded by Sexton to pay the liquor store bills as presented and to pay the city bills excluding the Crane Creek bill and including the bill from Hagen Excavating for $7,825. Carried.

Election results.
Motion by Thomas, seconded by Sexton to accept the election results for the two council seats open as follows:

   Michael Corbin   218 votes  
   Donald L. Clemmensen   205

Motion carried.

Discussion of the conditional use permits requested of Steele County for the gravel mining and a temporary asphalt plant in the Jones property on the southwest side of town and the Hayes/Hosfield property on the east side of town. Mayor Kaiser outlined the meetings between Steele County, Mayor Kaiser, Bruce Bullert, and Terry Overn from SMC concerning the Jones gravel mining area.

Motion by Sexton, seconded by Karow for the following recommendations to be included for the conditional permit for the Jones gravel mining:

1. No asphalt permitted for the life of the gravel mining permit.
2. The pond slope will be 10’ to 1’ from the start of the water line to a water depth of 1’ then the slope of 6’ to 1’.
3. Fencing not being required.

Carried.

Hayes/Hosfield gravel mining and asphalt plant. The consensus of the council is that the access road for this area is in a good place and should not be moved.

Motion by Thomas, seconded by Paulson that the stated recommendations from Steele County are acceptable to the City of Medford. Carried.

Engineers report. There has been no contact with the school about the additional parking lot off of Woodland Trail. Mayor Kaiser will send a letter to the school about the parking lot stating the City Council’s position.

A feasibility study for the Jones 3rd Addition will be presented at the next Council meeting.

The River Trails Girl Scout Council has submitted an annexation request for the Piper Hill Girl Scout Camp. There will be a joint City Council and Planning & Zoning meeting on Monday, November 18, at 7:00 p.m. to review this request.

Park report. Discussion of the request from the Medford Civic Club for use of the park area for next years Straight River Days. Concerns were expressed about heavy equipment on the areas with new sod.

Motion by Sexton, seconded by Thomas to accept the recommendation of the Park Board for the 2003 Straight River Days Celebration of not allowing any heavy equipment on the park grass areas. Carried. The Civic Club can ask this for future years.

Motion by Sexton, seconded by Paulson to reimburse Kevin Steinbauer $500 for the decorating of the water tower this year. Carried.
