Concerns from the public:
• Lois Nelson shared information about the 150th Celebration Committee’s first fund raising event.
• Questions about the budget for the year 2000.
• Lois Nelson also questioned the city about the long range financial planning work that was budgeted for 2001 to work with David Drown. Mayor Kaiser stated that he has already met with Mr. Drown and that the work has been started and that it was about 6 weeks before it would be completed.
• Lois Nelson wanted the council to be aware of the school’s plans and the affect the bond referendum will have on the taxes. Mayor Kaiser stated that he and Karen Sanborn had met with Steele County staff and Medford School Superintendent to discuss the forecasted levies for all three.

Attorney.
• There was no agreement with Regdob Investments for the sign request. The courts have not given a decision yet.
• The judges decision for the Lee assessment appeal has been received. The judge has stated that the city council should review the assessment. Mayor Kaiser will contact the Lees to try to negotiate a compromise.
• A review of the drafted Data Practices Policy was done. Mark and Karen will work together on the next draft to present to the council next month.
• A pre-trial for the title of property dispute with John Regitschnig is scheduled for tomorrow. The trial will probably be set in the summer to late fall. The city will need to decide what to do in that time.

Engineer. Discussion of the wastewater facility plan schedule. A presentation will be given to the council at the March 26th meeting with a public hearing scheduled for April 10th. The council reviewed their discussion at the wastewater treatment plant from earlier this evening. The council does not want to push to submit a plan the MPCA by the April 13, 2001 deadline. More review is necessary.

Motion by Thomas, seconded by Paulson to purchase a flow meter for the wastewater treatment plant, to check the flow into the plant, at a cost not to exceed $500. Carried.

Keith Maas won the Southeast Minnesota Operators award and is now eligible for the state award.

Motion by Thomas, seconded by Sexton to authorize the city attorney to review the material for control substance testing and advise the council as to the city’s requirements for random drug testing. Carried.

Thomas and Paulson will research time clocks and a policy for their use.

Thomas is recommending a day to day coordinator. The council questioned who should this be – Council member or employee. No action towards this will be taken at this time.

It is the consensus of the council that employees attend council meetings only as arranged with any council member.
Break.

Time card forms will be tabled until the time clock issue is settled.

The cost of 2 new tires for the front-end loader is $2,246. Dorian would not recommend purchasing new tires at this time. The city is on the list for used tires.

Concerns about the snow on the streets. Employees have been doing a good job trying to stay on top of this.

Park report.

Mayor Kaiser called the meeting to order at 7:01 p.m. All members were present. Others attending were Glen Purdie, Dave Wavrin, Terica Landherr, Lois Nelson, Sally & Lowell Walburn.
The purpose of this meeting is to allow property owners the opportunity to review the market values for tax purposes as set by the Steele County Assessors office.

Mayor Kaiser explained the appeal process. Glen Purdie gave an overview of the county wide assessment process. The assessors office appraised properties in Medford in 1997. Appraises are based on sales and changes. Properties in Medford were raised 8% on average.

Lowell Walburn asked about the 1997 evaluations, reasons for his neighbors having lessor increases, and how the new housing on the hill will affect his taxes. Purdie explained how new houses help the tax base. Mr. Walburn then asked about how the school will affect his property specifically. Purdie explained how the dollar levy relates to individual tax capacity. Landherr explained that Mr. Walburn’s property was not inspected in 1997.

Mr. Walburn verbally requested a review of his valuation.

The council will review the recommendations from the Assessors Office at the April 23, 2001 council meeting. If a property owner does not agree with the action of the city council, they may go to Steele County Board.

Mr. Walburn asked about predicting increases in values. Purdie explained the many variables involved with this.

Lois Nelson asked about commercial valuation increases in Medford and graphing in written material.

Wavrin explained inflation and resale effect on property valuation. Purdie gave example of levy/tax capacity/tax rate relationship.

Special Council Meeting  
December 19, 2001  
City Hall

Mayor Kaiser called the meeting to order at 6:00 p.m. Council member Thomas arrived late. All members were present. Others attending were Steve Kirsch, Bob Pyfferoen, Bruce Bullert, Lois Nelson, Pat Merritt, Bruce Kubicek, and Gary Bruggeman.

The purpose of this meeting is to meet with MNDOT to review the final plans and timetable for the Round-A-Bout project.

Steve Kirsch explained the plan development process and the delays from the original plan. Bid letting will be on February 22. Work will begin 4 to 6 weeks later. Completion date is June 15, 2002.

Steele County costs for road improvements have been absorbed by MNDOT.

Total estimated cost of the project is $2.3 million. The city cost will be the community signs estimated at $17,700. The funding of this project should be dedicated by the state and should not be cut during the state budget situation now.

The city project to extend city services through the round-a-bout area should not cause any conflict between projects.

Steele County Engineer Gary Bruggeman expressed concerns about the snow removal and storage for this area.

The plans for the round-a-bout were reviewed. The Medford community sign will be approximately 2 ½ feet above the ground.

The city is requesting that the grass type on the round-a-bout is a low maintenance type, low growing.

The maintenance of the community signs, lighting for signs, and the bridge lighting, including the power bill, will be at the city’s expense.

Motion by Karow, seconded by Sexton to authorize the city engineer Bruce Bullert to sign the title page of the plans for the Round-A-Bout project. Carried.

Motion by Thomas, seconded by Paulson to adjourn at 8:00 p.m. Carried.

Minutes approved at ________________________________ meeting.
